[Rich and Charlie Resources](#) for December is available for your enjoyment. You may especially like the "Top 10 ADVENTure Church Signs We Would Like to See."

[See this biblically influenced clip](#) that celebrates the 50th anniversary of NASA's lunar program, wrapping the whole event in biblical Christian worldview. Good for "older us" who witnessed it Christmas 1968 and for middle school on up students who would do well to see it. (Challies *A La Carte Weekend*)

[The Two Scariest Lies in the World Right Now](#) according to Francis Chan in an article by Toni Ridgaway in *ChurchLeaders*. Quite a few people hold these misconceptions.

[Retired LEA devotion...](#) Since this publication is especially for retired educators, perhaps you would enjoy access to a retired LEA devotion. See "Light Headed" from 2005.

LEA does not endorse articles cited in Tips of the Week; links are provided to connect members with information they might find useful.
