LEA offers the [Convocation Deposit Plan](#) to help you set aside incremental funding for the convocation. This might be especially helpful for budget line items that must be expended during a particular fiscal year or just as a convenient way to set aside money to avoid the sticker shock that comes with a total bill.

The [Convocation Deposit Plan](#) allows you to make any number of deposits through the date when registration opens. Depositors will provide the LEA office with a list of registrants whose registration fee will be covered by their deposit. [Click here for a deposit form.](#)

Also check the [LEA Convocation/Membership Installment Plan](#) for an additional option which allows you to spread your payments out over 8 months.
