

Your LEA Convocation Steering Committee has created an experimental chatbot to help in searching for the **2025 LEA Convocation** sectionals through natural, text-based queries. It's like having a personal guide for finding the sectionals that best match your interests!

What You Need

- A **ChatGPT account** (free or paid) on chat.openai.com
- Access to this custom GPT: **2025 LEA Convocation at [Convo ChatGPT](#)**
- Just type your questions – no special formatting needed!

What You Can Ask

Here are some examples of questions you can ask:

- **Topic-based:**
“Are there any sessions about AI in education?”
“What are some good sectionals for early childhood teachers?”
- **Time-based:**
“What’s happening Thursday at 3:00?”
“What can I attend on Friday morning?”
- **Presenter-based:**
“Who is presenting on classroom management?”
“Tell me more about Bernard Bull’s sessions.”
- **Goal-based:**
“Which sessions help with teacher wellness?”
“What should a new school administrator attend?”

This chatbot is **experimental** and currently in development. While it pulls from up-to-date and official convocation documents, it may not include last-minute updates or complete detail for every event.

If in doubt, **double-check your final selections** against the official schedule or printed program.

Feel free to contact LEA if you have any issues with the chatbot or if you have further questions.
