

2028 LEA Convocation Deposit Options

**Does the end of each fiscal year mean some of your continuing education funding disappears?
Are you thinking about the best way to cover the cost of attending 2028 LEA Convocation?**

**What about spreading the cost of the 2028 LEA Convocation over multiple years
and making deposits with LEA, thereby protecting those funds?**

LEA is offering a Convocation Deposit Option, so you can deposit funds at any time prior to the Convocation to be applied to your faculty's 2028 convocation registrations.

Participation includes the following benefits:

- You can make multiple deposits at any time.
- LEA will return a deposit receipt to you for each deposit received.
- All deposited funds will be applied to convocation registrations (not toward housing).
- Once registration for the 2028 convocation opens, you can contact LEA to confirm your deposit balance and authorize your deposit(s) to be applied to your registrations.
- Unused funds will be refunded.

To take advantage of this option, please complete the form below and return it with your check made payable to:
Lutheran Education Association, 7400 Augusta Street, River Forest, IL 60305.
